Re: Items approved for disposal

On February 27, 2018 the Board of Education approved the disposal of numerous items that were no longer of value to the district. As such, these items will be listed in small increments to be disposed of and bid upon. The first group of items are listed below. Should you wish to bid on these items, please have a sealed letter with the item and the amount of your bid on my desk by March 9, 2018. All sealed bids will be opened on March 9, 2018 at 12:00 noon. The highest bid will be notified and given 5 days to remove the item from the district property.
